"Celebrate Art: Signs Thru Our Times" in honor of Arts and Humanities Month, Tuolumne County Arts Alliance will be holding its 3RD ANNUAL CELEBRATE ART, in partnership with the 62nd Mother Lode Art Association Fall Show –This year it will be held over two weekends, October 4, 5, 11 & 12. This year there will be a "theme" which will revolve around the ubiquitous SIGN. We see signage everywhere, but do we really appreciate the ART that goes into the activity of sign making? From hand lettered, homespun, neon and billboard, we celebrate the SIGN and the artists who not only create them, but the artists who document them throughout the changing years.
